**Statement of Understanding**

The CYO was instituted at St. Richard's to assist the Church, School, and our families in developing our children's Bodies, Minds, and Spirits in a Christian setting. St. Richard's Core Group, including Father Kaufman & Mr. Hewitt have volunteered their time and expertise to provide you and your child with a quality CYO. There is a \$10.00 membership fee to join the CYO.

However, the Core Group can not take full credit for this endeavor. Many of you have donated your time as well as money to make this program a success. CYO activities do not take place on their own. In order for us to continue with our success, the Core Group requests that you continue to support St. Richard's CYO and all of its activities. Support comes in many forms: volunteerism, participation, and financial contributions.

Many of you have experienced first hand the great times we had during CYO activities. Did you ever wonder how it was done? It was done with time and money. With St. Richard's CYO sponsored activities, we are able to keep expenses and costs to you to a minimum. This does not hold true for CYO Central activities. The biggest expense goes to Athletic activities. There will be an athletic fee per sport for anyone who participates in any sport.
